## CALIFORNIA'S GREAT AMERICA

Looking for theme park thrills just minutes from the city? If you're visiting San Jose April through October, don't miss California's Great America, home to the most thrill and water rides in Northern California. It's the only theme park in California to offer a complete water park inside - free with park admission. Whether you're traveling with friends, family or colleagues, Great America offers a rollicking good time at a good value.

## PLANET SNOOPY

Join the world's most popular beagle and his friends as they welcome kids of all ages to fly, whirl, dive and swoop their day through the park. Popular rides include PEANUTS™ Pirates, which features rotating mini-pirate ships that turn a full 180 degrees, Sally's Love Buggies, where kids can race their own buggies and Woodstock Express, a zany family coaster.

## THRILL RIDES

Fall head-over-heels on Fire Fall, which takes 40 brave riders to a height of 60 feet, then subjects them to 360 degree vertical arcs as they twist, turn and spin through both fire and water effects. Get fired up on the fierce Delirium, a powerful spinning pendulum, or experience the rush of gravity as you descend 22 stories on the Drop Tower Scream Zone, one of the tallest and most intense free-fall rides in the world. Get ready to drop, twist, bank and curl on Northern California's ultimate family coaster, Psycho Mouse, featuring 14 crazy twists and turns along 1,257 feet of track. Flight Deck, an incredible suspended "jet coaster," lets you soar through a 360-degree vertical loop, two 270-degree afterburn turns, a full-circle wingover, and a zero gravity roll. On The Vortex you can stand as you race through a 91-foot lift hill, a 360-degree loop and weaving, twisting track, while Xtreme Skyflyer lets you experience the breathtaking thrill of hang gliding and skydiving.

## OTHER ATTRACTIONS

If you're traveling with younger kids, KidZville® is built just for them, with 18 rides and attractions for parents and kids to enjoy together. If you want to take a break from rides and find your groove, the park features many live stage productions. The Australian-themed Boomerang Bay Beach Club gives guests the "splashin' good time."
