MONOPOLY IN THE PARK

Located in Discovery Meadow, Monopoly in the Park features the world's biggest version of the most popular board game ever, and San Jose's new "larger than life" attraction. Here in the park, the real estate market is always booming, as property is traded on a 930-square foot permanent Monopoly board. Now everyone has a chance to make it big in Silicon Valley real estate.

Large groups can reserve the giant board and game pieces for organized events. Participants play with jumbo dice, don gigantic token-shaped hats, and occasionally even wear jailhouse garb. Monopoly in the Park is Big fun for: Family reunions, field trips, company picnics, birthday parties, and corporate team building events.
